

Day Tripper

Pale Ale

A modern pale ale that packs a fruity punch with a suprisingly low ABV for such a full flavour beer. An easy drinking session ale.

Bar notes.

- Colour: Pale
- ABV: 3.8%
- Bitterness: Well balanced
- Malt: Light and easy drinking

- Quick Fact: We launched Day Tripper, at our brewery, with a gathering of vintage VW campervans.

A bit about the brewery, Blackpit.

We are three friends with a passion for beer: Ben, Duncan & Oly. We met at school and became involved in the world of bars & events. Now, we've started a brewery using our hands; from fabricating our taproom to creating our artwork. As we grow, so does our team but our mantra remains unchanged: Great beer is made even better with good friends.
